

Internet Scavenger Hunt:

D-Day (World War II)

Name: _____

At the site below, read about how during WWII, the Allied Forces invaded Normandy, France, on D-Day (June 6, 1944).

Web site: Ducksters.com

URL: <http://tinyurl.com/m4p7fwp>

1. The Allies' preparation ensured the success of D-Day. What two things did the Allies do to prepare?

2. Describe the first two stages of the invasion.

3. What part did the French Resistance play in the beginning of the invasion?

4. How many troops landed in Normandy on D-Day? _____

5. Who were the generals for both sides on D-Day? Provide their names and countries of origin.

Something to think about: Although June 6 is often called D-Day, D-Day is also a generic military term that stands for the day ("D") of any major attack.
