## *The Perfect Homework Assignment*

What is your idea of the perfect homework assignment? How is it different from “regular” homework? What do you like about it? What do you think you would learn from it?

### *Try These Ideas:*

- List three ways in which your “perfect” homework is unique and special.
- Name two reasons why you would enjoy doing the assignment.
- Share two points that will make your teacher want to give you the assignment.
